

ABOUT ME
CV
AVAILABILITY

Dr. Deepak Thekkoott is a Brooklyn-based cardiologist known for combining clinical excellence with compassionate care. With decades of international experience in the U.S. and U.K., he currently practices at Maimonides Medical Center and helps train the next generation of heart specialists. A fellow of both the American College of Cardiology and the Royal College of Physicians, he holds seven board certifications in cardiovascular medicine. Born and educated in southern India, Dr. Thekkoott brings a global perspective to his work and life. He lives in Brooklyn with his wife, Deepa, and finds joy in serving others with what he calls “a heart filled with love.” His son, Soorya, is pursuing graduate studies in mathematics after completing active duty service with the United States Air Force and currently serving for the Washington, DC Air National Guard.

DR. DEEPAK CV

DR. DEEPAK THEKKOOTT, FACC, FRCP

Dr. Deepak Thekkoott is a highly accomplished cardiologist at Maimonides Medical Center in Brooklyn, NY, where he provides acute and outpatient cardiac care while training the next generation of cardiologists. Dr. Thekkoott completed his Internal Medicine residency and fellowships in Cardiology and Interventional Cardiology at Maimonides.

PROFESSIONAL EXPERIENCE

From 2008 to 2023, Dr. Thekkoott served as Medical Director and Director of Interventional Cardiology at a hospital in Louisiana. He has served as a lifelong board member for one of the largest cardiology practices in the United States. His career also includes experience as a staff cardiologist in the United Kingdom prior to his work in the U.S

Beyond clinical practice, Dr. Thekkoott has demonstrated leadership in medical education and humanitarian efforts, serving as founder and chairman of both a medical conference and a charitable organization in southern India.

EDUCATION & CREDENTIALS

Dr. Thekkoott earned his medical degree from Calicut University and completed his Internal Medicine residency at Mangalore University in India, where he received a mark of Distinction. He holds seven board certifications: Internal Medicine, General Cardiology, Interventional Cardiology, Nuclear Cardiology, Echocardiography, Cardiovascular CT, and Vascular Medicine.

His international credentials include membership in the Royal College of Physicians (MRCP), a diploma in Cardiology from London University with distinction, and fellowship from the Royal College of Physicians, Edinburgh (FRCP). He is a Fellow of the American College of Cardiology (FACC), serving on the Ethics and Compliance Committee, and a Fellow of the Society of Cardiovascular Angiography and Interventions (SCAI).
